

## PENINSULA ART LEAGUE's Plein Air Schedule 2010

After a chilly and damp spring, we're visualizing a sunny summer for our weekly plein air excursions. We'll meet every Thursday through September 9<sup>th</sup> (and if we're blessed with good weather, we'll probably extend).

We paint from 9am until lunch every Thursday. You are welcome to come a tad earlier and stay later if it's a "public" venue, but when it is an arranged event at a private location please don't stress the host by showing up out of the designated time frame.

For more distant sites (KPN or Kitsap – indicated in *italics*) meet at 8:30am at the Park and Ride on 144<sup>th</sup> by Peninsula High School to carpool. (PS – it would be good to communicate that you intended to carpool so we know to wait for you.)

Our Plein Air Committee – Anne Knapp, Kris Nail, Tawnya McGraw and Dianne Gardner – have discovered some fun new sites.

If you have questions about painting gear or directions, or if you want regular email announcements, please email Anne Knapp at [annemknapp@gmail.com](mailto:annemknapp@gmail.com).

We will have a bonus sunset painting event at private waterfront house later in summer. For the latest updates on that (and other announcements) make sure you are on Anne's email "plein air notice list."

We hope you'll come to paint with us this summer!

### Here's our tentative schedule:

**June 10 – Sehmel Homestead Park – newly opened with trees, wildflowers, and ponds to paint**

**June 17 – Private Home Raft Island with vista to Cutts Island, water views, trees (rain or shine)**
